## Ambassador Programme

Thank you for showing an interest in the Year 7 & 8 Ambassador Programme. We're making some changes this year... we're having MORE Ambassadors! We're also going to assign Ambassadors to Departments within the school.

As Ambassadors you will:

- Have regular meetings with Mr Griffiths to discuss new ideas for the school.
- Be on hand to help with extra-curricular activities.
- Be available for Departments to call upon and help with a task.
- Be expected to be positive role-models for pupils throughout the school.
- Be part of a new team that has already contributed to the House system here at YUC.
- Improve your social skills by talking to other pupils and asking their opinions on matters.

If you are interested in joining the Ambassadors, then please apply in writing to Mr Griffiths with your reasons for applying and why you believe you could help a Department of your choice.

Return all applications to Reception by lunch time Friday 4<sup>th</sup> October.
